Is any of your electricity usage wholly or mainly for your home?

NO

YES

Is your normal electricity demand less than 40kW?

If your bill is less than £400 per month (£1,200 per quarter) it is likely that your demand is less than 40kW.

You are likely to be better off on a residential tariff. Call 0800 096 9000* for more details.

NO

YES

Call 0645 744 8910* for more details.

Does your business open/operate between the hours of midnight and 5am?

If the answer is more than 4 hours per night during this time then choose 'yes'. The total should be at least 12% of all Units used.

YES

NO

You should consider the Economy 7 Tariff.

Does your business open/operate after 8pm at night and during the weekend?

If the answer is 'yes' for at least 4 hours a night plus one weekend day/night, then choose the 'yes' route. The total should be at least 40% of all the Units used.

YES

NO

You may be better off with our Evening and Weekend Tariff.

You should consider the Standard Tariff.
