

LOCAL NOTICE TO MARINERS NO 01 OF 2021

Underwater Obstruction

24/02/2021

Mariners are advised that an underwater obstruction has been found by the HPC Marine Works Principal Contractor, in their 'offshore marine construction operating area' at following position:

51° 13' .07660N

003° 09' .31792W

Initial diving investigations have confirmed the obstruction is approximately a 150mm x 150mm box steel section which is projecting approximately 2.5 metres above the seabed.

Until such time as this obstruction is removed ALL vessels are advised to stay well clear of this reported position, in particular vessels approaching and departing the HPC Harbour.

A further Local Notice to Mariners will be issued as soon as possible when this obstruction has been removed.

For further information, please contact the Harbour Master via the contact details below.
