

LOCAL NOTICE TO MARINERS NO 13 OF 2021

**Additional UXO Investigation & Clearance Works –
Extension of timescale.**

28/04/2021

Mariners are advised that the Hinkley Point C Marine Works Principal Contractor is carrying out additional Unexploded Ordnance (UXO) Investigation & Clearance Works out to sea, in the area to the north of Hinkley Point C Harbour Authority (as shown on the chart extract below).

The vessel “HM Denham” is conducting these works and will be supported by the vessel “Anchorman 5”.
Works are now due to be completed by the 14th May.
The vessels will maintain a listening watch on VHF channel 16 and 87.

Name	Type of vessel	Call Sign	MMSI number	Length
HM Denham	Dive Vessel	2ATJ3	235062807	16m
Anchorman 5	Catamaran	2FGW2	235091152	10m

Weighted surface marker buoys will be left in various locations within these areas for the duration of this campaign and whilst diving operations are in progress a 500m exclusion zone around the diving vessel “HM Denham” will be in force.

Vessels within this area are requested to proceed with caution and stay well clear.

This notice supersedes HPCCHA LNTM 11-2021 and will be self-cancelling on completion of these works.

For further information, please contact the Harbour Master via the contact details below.
