

LOCAL NOTICE TO MARINERS NO 14 OF 2021

Hinkley Point C Marine Works Offshore/CDM Area Marine Co-ordination Centre.

28/04/2021

Mariners are advised that the Hinkley Point C Marine Works Principal Contractor has now established a 'Marine Coordination Centre' (MCC), to manage the safe and efficient coordination of all vessels operating or passing in and around the Hinkley Point C Marine Offshore/CDM area. As shown on chart extract below (*Offshore Structure Construction Zone*).

All vessels operating in or around this area are to report their approach and intentions well in advance to the MCC – call sign “MCC” via VHF channel P1 and P2 (if installed). Otherwise via VHF channel 16 or 87 to establish an alternative working channel.

MCC Duty contacts (manned 24hrs):
Mobile: +44 7832886650
Landline: +31 850081689
Email: mc@mcsnl.com

Any relevant navigational information pertaining to the marine works underway within the HPC Marine Works Offshore/CDM area will be distributed ahead of time by the MCC, to project vessels and relayed via VHF for non-project vessels

Any non-project related vessels wishing to pass through this area are requested to proceed with extreme caution and call the MCC on approach for further safety advice before proceeding.
