Note on Health & Wellbeing:

The Main Site Forum will be taking place at The Victory Hall in Stogursey.

Together with the venue, we ask that visitors do not to attend if they have any symptoms such as high temperature; a new, continuous cough and loss of smell or taste. We would appreciate visitors having undertaken a lateral flow test beforehand with a negative result but do appreciate this is personal choice.

It is requested that attendees use the hand sanitiser provided on the tables inside the entrance hall on arrival. Wearing of face coverings is optional providing social distancing is adhered to.

Windows will be open for ventilation and the hall is large and the layout will allow people to be spaced out as far as possible.
