

LOCAL NOTICE TO MARINERS No. 04 OF 2024

Hinkley Point C Marine Works Offshore Area – HAF Maintenance

Issued: 04/04/2024

Maintenance works will be conducted by a team on the yellow HAF structures located within the charted HPC marine works in progress area as detailed below. The support vessel “NRH Ariel” will be used for the personnel transfer of this team and will also provide safety cover for the duration of works on these structures. Personnel will transit daily to/from the CDM via the support vessel that will operate out of Cardiff Bay.

It is expected that these works will commence from the 4 April (weather permitting). Operations will take place in daylight hours only. Operations may be extended due to adverse weather causing delays.

Chart extract of HPC marine works in progress area and identification of noise monitor locations (red circles).
