POWERING YOUR PORTFOLIO END TO END

- ✓ One trusted supplier for both electricity and gas - one contract, one point of contact.
- ✓ Optimised pricing across both fuels.
- ✓ Streamlined billing and reporting to save your team time.
- ✓ Dedicated energy account management and expert support
- ✓ We'll handle all aspects of the switch - making it seamless for your team and your clients.

The image features a vertical strip on the left side showing the silhouettes of three wind turbines of varying heights against a warm, orange and yellow sunset sky. The text 'EDF Business Solutions' is overlaid in white on the top left of this image.

EDF Business Solutions

INSPIRED

**COMBINE YOUR GAS AND ELECTRICITY
WITH #1 GB SUPPLIER**

Market-leading fixed rates - helping you secure long-term price stability.

Non-energy costs* included for greater transparency and easier budgeting.

Dedicated account management for both contracts - one point of contact.

The backing of the UK's #1 energy supplier, trusted by thousands of large and mid-market energy consultants.

By consolidating your customers energy supply with us, you'll simplify administration, strengthen your buying power, and unlock discounts across portfolios.
