

LOCAL NOTICE TO MARINERS No. 07 OF 2026

Hinkley Point C Marine Works

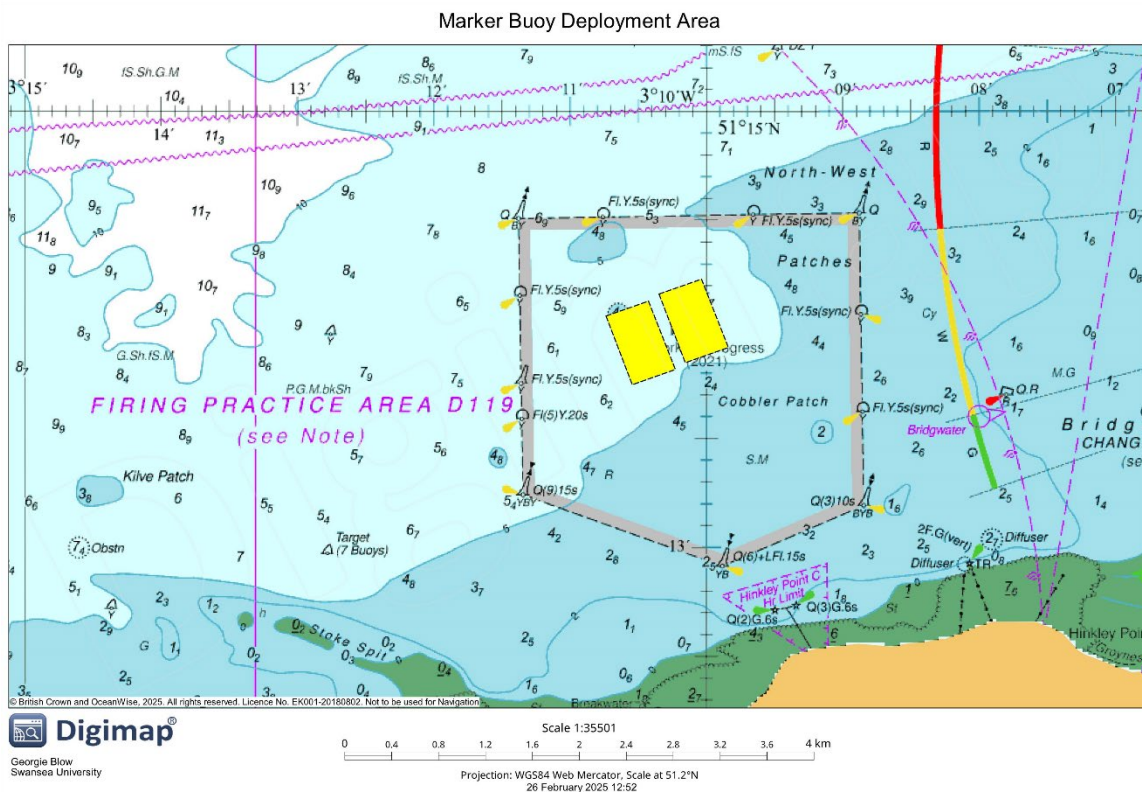

Acoustic Monitor Deployment

Issued: 23/03/2026

NOTICE IS HEREBY GIVEN following the deployment of acoustic monitors at HPC Marine Works Offshore Area, due to a shortage of leaded line, standard line had to be used which may be floating on the water. This rope is 90m long and between R2 (51.23131, -3.16693) and R3 (51.23142, -3.16587) on attached diagram. This line has the potential to be a snagging/prop fouling hazard for vessels navigating in the vicinity. Masters should navigate with caution.

This notice to mariners will be cancelled when the line is replaced.

(see Admiralty Charts 1151, 1152, and the chart extract below).
