

The Benefits of becoming a Young HPC member

Joining this free programme for under -21s gives you access to the following exclusive content to help you take the next steps in your career journey...

- **Workshops and Resources:**
Learn to write a great CV, prepare for future interviews, and much more.
- **On-demand Work Experience:**
Go through a range of tasks and activities at your own pace to increase your knowledge of HPC, nuclear power, and the engineering industry.
- **Digital Badges**
Complete different activities to earn nationally recognised **Digital Badges** that can be added to CVs and applications to help you stand out from the competition.

Best of all, it's quick and easy to join: [email the Young HPC team](#) to get your name on the programme!

Young HPC members are also amongst the first to hear as and when new apprenticeships open across the project!

There are many more opportunities to come at **Hinkley Point C!**

Nuclear power will form a vital part of the UK's low carbon energy mix, backing up **wind and solar** as we work towards those all-important **net zero** targets!

That's why we're building the UK's first nuclear power station for a generation, so why not kickstart your career on the groundbreaking project?

Due to its size, scale, and complexity, there are frequent training and apprenticeship opportunities available with many different HPC contractors, in lots of different areas - but here are just a few...

ELECTRICIANS **CHEMICAL ENGINEERS** Catering **Recruitment** Security
RADIATION PROTECTION SPECIALISTS Logistics **Joiners** Painting and
SCIENTIST MARKETING & COMMUNICATIONS **Riggers** Decorating
