

Season's greetings from EDF Energy

Welcome to your latest Business *Thank you* email

With the festive season fast approaching we wanted to bring you two great offers from [ebookers](#) and [PRC Direct](#), providing great discounts on hotel stays and home entertainment products. And, now winter is here, what better time to start saving money by becoming more energy efficient. We've put together some useful energy efficiency guides so that you can see where your business could save energy and help get you ready for the year ahead.

Energy efficiency

We know all businesses are different and it can sometimes be difficult to see where you can save energy. That's why we've put together a range of guides and posters - to give you simple and effective energy saving tips that really work for you and your business. Visit edfenergy.com/smartbusiness for tips on saving energy within a retail space, office environment and more. Remember, by taking regular meter readings you can keep track of how much energy your business is using and how much you're saving.

Don't forget to head over to our website, where you can view our growing list of partners and previous editions of the Business *Thank you* email anytime.
