

At EDF Energy we know how quickly the industry can change and how important it is to stay informed. We have a number of tools to help you stay in the know in 2018 including our TalkPower programme, quarterly Monitor report and our Market Insight portal.

"There's lots of movement and lots of change"

Watch our interview with **James Chaplin**, **Market Analyst** at EDF Energy.

Latest Monitor Report Published - our experts view on non-energy costs

With NECs making up over half of your energy bill, it's important you understand what they are. Monitor offers detailed insight and analysis to help you plan ahead and mitigate any NEC increases. Sign up to our free Market Insight portal to have access to Monitor alongside a range of other reports and resources.
