

Where the Customer has selected the EDF Energy Introductory Charge Point Discount Offer the following terms shall apply:

- 1.0** This offer will provide a £300 discount (the "Discount") off the standard price for a new EO Mini Pro electric vehicle charge point (the "**Eligible Equipment**") to qualifying customers.
- 2.0** Only customers fulfilling all the following criteria prior to the Offer End will qualify for the Discount:
 - a. The customer has registered and been accepted to have their domestic electricity supplied by EDF Energy either by using the online enquiry form on <https://www.edfenergy.com/electric-cars/enquiry> or by contacting EDF Energy at goelectric@edfenergy.com;
 - b. The customer has requested to purchase the Eligible Equipment; and
 - c. The customer's home has off-street parking and is in mainland Great Britain (excluding HS, KW, ZE, IM, GY, JE postcodes and the Scottish islands).
- 3.0** The Discount will only be applied to the price of the Eligible Equipment and standard installation. Where an installation is determined to be non-standard, the customer may be liable for additional costs, which will be communicated to and agreed with the customer prior to any installation.
- 4.0** The Discount is not transferable and no cash equivalent will be offered.
- 5.0** The Eligible Equipment will be supplied in accordance with EDF Energy's Terms & Conditions of Sale of the EDF Energy 'Go-Electric' (EO Mini Pro) electric vehicle charge point which can be viewed at https://www.edfenergy.com/sites/default/files/ev_charge_point_tcs.pdf.
- 6.0** Only one Discount will be available per qualifying customer.
- 7.0** This offer cannot be used in conjunction with any other offer currently available from EDF Energy.
- 8.0** This offer ends on the earlier of (i) 20 December 2019 and (ii) 300 qualifying customers claiming the Discount (the "**Offer End**").
- 9.0** EDF Energy reserves the right to extend, revoke, amend or replace this offer with immediate effect. If this offer is revoked, amended or replaced; EDF Energy shall publish notice and/or the amended terms and conditions on their relevant customer facing web page(s).

- 3.0** The Offer will only apply to the price of the Eligible Equipment and standard installation. Where an installation is determined to be non-standard, the customer may be liable for additional costs, which will be communicated to and agreed with the customer prior to any installation.
- 4.0** The Offer is not transferable and no cash equivalent will be offered. .
- 5.0** The Eligible Equipment will be supplied in accordance with EDF Energy's Terms & Conditions of Sale of the EDF Energy 'Go-Electric' (EO Mini Pro) electric vehicle charge point which can be viewed at https://www.edfenergy.com/sites/default/files/ev_charge_point_tcs.pdf.
- 6.0** Only one Offer will be made per qualifying customer.
- 7.0** This Offer cannot be used in conjunction with any other offer currently available from EDF Energy.
- 8.0** This Offer ends on the earlier of (i) 20 December 2019 and (ii) 50 qualifying customers claiming the Offer (the "**Offer End**").
- 9.0** EDF Energy reserves the right to extend, revoke, amend or replace this offer with immediate effect. If this offer is revoked, amended or replaced; EDF Energy shall publish notice and/or the amended terms and conditions on their relevant customer facing web page(s).

Where the Customer has selected the EDF Energy Free Miles and Charge Point Offer the following terms shall apply:

1.0 This offer will provide the following to qualifying customers:

- a. a free EO Mini Pro electric vehicle charge point (the "Eligible Equipment"); and/or
- b. 10,000 driving miles, equating to an energy value of 2,857kWh and a monetary value of £228.85 including VAT*, credited to the customer's electricity bill three (3) calendar months after the customer has met the qualifying criteria in paragraph 2.0 below.

(*The 10,000 miles is calculated on an average driving efficiency of 3.5 miles per kWh** of charge and EDF Energy's GoElectric tariff's off-peak rate of 8.01p/kWh

(the "Offer").

(** calculated as an average of driving efficiency of the highest selling electric vehicles in the UK (Volkswagen e-Golf, Kia Soul EV, Nissan Leaf, BMW i3 120 Ah, Tesla Model X Long Range, Tesla Model S Standard, and Renault Zoe Gen 2 (<https://ev-database.uk/>)).

2.0 Only customers fulfilling all the following criteria prior to the Offer Date and Offer End will qualify for the Offer:

- a. The customer has their domestic electricity supplied by EDF Energy;
- b. The customer has signed a personal lease hire contract¹ for an electric vehicle supplied by DriveElectric², EDF Energy's EV lease hire partner;
- c. The customer has requested the Eligible Equipment or indicated that it does not require the Eligible Equipment no later than three (3) months from signing a personal hire contract for an electric vehicle with DriveElectric²; and
- d. The customer's home has off-street parking and is in mainland Great Britain (excluding HS, KW, ZE, IM, GY, JE postcodes and the Scottish islands).

3.0 The Offer will only be applied to the price of the Eligible Equipment and standard installation. Where an installation is determined to be non-standard, the customer may be liable for additional costs, which will be communicated to and agreed with the customer prior to any installation.

4.0 The Offer is not transferable and no cash equivalent will be offered.

5.0 The Eligible Equipment will be supplied in accordance with EDF Energy's Terms & Conditions of Sale of the EDF Energy 'Go-Electric' (EO Mini Pro) electric vehicle charge point which can be viewed at https://www.edfenergy.com/sites/default/files/ev_charge_point_tcs.pdf.

6.0 The personal lease hire contract¹ for an electric vehicle is entered into between the customer and DriveElectric². EDF Energy has no liability for the goods and services provided to the customer under any agreement with DriveElectric².

7.0 Only one Offer will be made per qualifying customer.

8.0 This Offer cannot be used in conjunction with any other offer currently available from EDF Energy.

9.0 This Offer ends on 20 December 2019 (the "End Date"). The Eligible Equipment is available to 50 qualifying customers claiming the Offer up to and including the End Date (the "Offer End").

10.0 EDF Energy reserves the right to extend, revoke, amend or replace this offer with immediate effect. If this offer is revoked, amended or replaced; EDF Energy shall publish notice and/or the amended terms and conditions on their relevant customer facing web page(s).

Caveats:

- 1: The EDF Energy EV Lease Hire is sold by DriveElectric² and is an FCA Regulated product – Terms and Conditions apply – Refer to DriveElectric² for more details
- 2: 'DriveElectric' is a trading name of Fleetdrive Management Ltd which is a credit broker, not a lender, and is authorised and regulated by the Financial Conduct Authority FCA ref. 678978.
