

Feed-in Tariff (FIT) Change of Ownership Form

Section 3 – Bank details

Please provide bank account details for payment through the Feed In Tariff scheme.

Name(s) of Account Holder(s) _____

Bank Name _____

Bank Address _____

Account number Sort Code --

Roll number If applicable /

This instruction will be implemented with effect from your next generation meter reading and will replace any previous instruction(s) to us. Payments will be made to this account until we are notified otherwise, if these bank details are changed please notify us to avoid misdirected payments.

If this bank account belongs to a third party please contact us immediately. Nomination of a third party to receive your FIT payments requires further documentation in addition to their bank account details.

Section 4 – Contact address

Please provide your contact address below. If this is the same as the installation site address, please tick here

Address _____

Postcode

Section 5 – Supporting documents

Please supply a photocopy of the following:

Proof of address (see below) Proof of identity (see below)

Death certificate Solicitor's letter confirming ownership of installation

For proof of address please provide one of the following:

- Bank/Building Society statement from the last three months
- Current UK driving licence
- Benefits or State pension notification letter confirming the right to benefit
- Local authority tax bill/council tax bill for current year

For proof of identity please provide one of the following:

- Current UK driving licence
- Current UK/EEA/EU passport or signed passport with valid UK Visa
- Benefits or State pension notification letter confirming the right to benefit

NB: The same photocopy document cannot be used to confirm both your identity and address

Please do not send us your credit card, bank or building society statement or any other document that displays the full 16 digits of your debit or credit card number. If you do, we will return your documents immediately and this may affect your eligibility for the Feed in Tariff Scheme.

Feed-in Tariff (FIT) Change of Ownership Form

Section 6 – Declaration

By signing this form you hereby **acknowledge and agree** that:

- All information provided in this form is true and accurate, and that you will immediately notify EDF Energy to the extent that any such information is subsequently found to be incorrect.
- Pursuant to the operation of the FITs scheme, generators will need to provide EDF Energy with a declaration from time to time confirming that the details recorded about their installation are current and correct. As such, you acknowledge and agree to provide all necessary assistance and information required for purpose of providing future declarations,
- You are not receiving ROCs or FITs payments from another energy supplier, with respect to the installation to which this application form relates,
- For off grid installations, you hereby declare that it is your intention to use any and all electricity generated by the FITs installation and that you fully understand that any electricity generated but not used will not be eligible for FITs payments,
- You have provided EDF Energy with personal data (as that term is defined in the Data Protection Act 1998) in this form, and you hereby consent to EDF Energy using your personal data for the purposes of complying with, and giving effect to all relevant regulation and requirements of the Gas and Electricity Markets Authority in relation to FITs,
- EDF Energy may use information within this form to check industry systems in accordance with the FITs scheme,
- You are not contracted under the Non-Fossil Fuel Obligation (NFFO) agreement,
- EDF Energy shall have no responsibility for any delays associated with the processing of the form, including but not limited to, delays associated with its delivery.
