Multi Meter / Multi Site credit to account offer February 2018

Multi Meter / Multi Site credit to account offer February 2018

This is a limited offer to 1,000 customers and can be extended or withdrawn at any time. This offer is only available to SME customers that agree a fixed term contract for a meter not currently supplied by EDF Energy. The customer must enter into 2 or more 1, 2, 3 or 4 year fixed term electricity contracts and / or a 1, 2 or 3 year fixed term gas contracts. Only one credit is payable per meter.

This offer is only available to contracts entered into on or after 15th February 2018. EDF Energy's acceptance of the contract is conditional on EDF Energy obtaining satisfactory results from a credit check, determined in EDF Energy's sole discretion, and is not available to customers with a credit score of 0-15. The credit check is completed using the 'Experian Commercial Delphi Score' maintained by Experian Ltd.

Customers with consumption or forecasted consumption of less than 5,000 kWh per meter of electricity and/or gas are not eligible. The discount will be applied as follows:

- For customers using between 5,000 – 9,999 kWh of energy per meter, will receive a £20 credit per meter
- For customers using between 10,000 – 29,999 kWh of energy per meter, will receive a £30 credit per meter
- For customers using between 30,000 – 59,999 kWh of energy per meter, will receive a £50 credit per meter
- For customers using between 60,000 – 99,999 kWh of energy per meter, will receive a £100 credit per meter
- For customers using between more than 100,000 kWh of energy per meter, will receive a £150 credit per meter

The credit will be applied to the customer's account after EDF Energy is registered as their supplier and within 6 months of their electricity and / or gas supply starting. **The credit will be shown on your bill as a 'bill adjustment'**. The credit will be applied before VAT and Climate Change Levy, and any Direct Debit discounts (where applicable).
