Complaints categories

Our complaints are divided by category, shown below:

Top 5 categories in Q1 2023	% of complaints opened by category
Metering (Inc Prepayment)	20%
Payments	16%
Billing	14%
Customer Service	9%
Change of Supplier	2%

Billing

This covers any complaints made about the layout of our bills as well as any information displayed on them such as cancelled charges or payment dates. Complaints received about estimated readings, price increases or incorrect bills are also included.

Payments

Any complaints we receive about Direct Debit payments or prepayment credits are included here.

Customer Service

This includes complaints made about the Customer Service that we offer.

Metering Appointments

If we receive complaints about metering appointments or any mismatched data then these are listed in this section. Also included here are prepayment meter issues, which tend to be higher in winter months.

Change of supplier

This covers any complaints made about the process of transferring to or from EDF and another energy supplier.

The total number of complaints received during January, February and March (Q1 2023) was 108,573. This is an increase in complaints compared to those received in Q4 2022 (104,609).

Through our complaints improvement programme, we've continued to look at the causes of customer dissatisfaction. We've then addressed these causes by making improvements to our systems and processes. We will continue making positive changes throughout 2023 and beyond.
