Prices will not take effect until customers charge their Prepayment key with credit at an appropriate outlet on or after **21 February 2019** and subsequently load credit on to their meter. Prices will not take effect for customers with prepayment token meters until their meter has been correctly re-configured for these new prices to take effect.

[^]The Standing charge is applied per meter and applies whether or not you use any electricity at your premises supplied by EDF Energy.

These charges are valid in South East, South West and London only

Calls to UK wide numbers are included in any inclusive call plan you may have. If you don't have an inclusive call plan, calls are charged at a national rate. Please check with your service provider if you're unsure.
