Discount for Direct Debit or surcharge for cash or cheque		7% off for monthly Direct Debit*			
Online services included as standard		Account management tools Mobile app			
Online Live Chat		Free UK business advisers 24/7			
Business customer call centre		8am to 6pm weekdays			
Total annual estimate	Electricity				
	Gas				
Total monthly estimate	Electricity				
	Gas				

To work out your annual usage: You'll find it on your annual energy statement from your current supplier. If you can't find the statement, make an estimate based on a recent bill.

To work out your total annual estimates: (annual consumption x unit price) + (daily standing charge x 365) + FIT + VAT + CCL - discounts + surcharges.

\*Direct Debit discount not available on American Express products
